President's Corner

At the General Meeting held on February 12th, the new Crime Prevention Officer for the West Chatham Precinct, Bryan Harrell, briefed attendees on neighborhood crime statistics and provided recommendations for homeowners on improving residential security. Officer Harrell said a vast percentage of the crimes in our area related to thefts from vehicles at nearby apartment complexes. He recommended that everyone lock their vehicle and remove valuable items when the vehicle is unattended. Officer Harrell requested that our residents remain vigilant and report any suspicious activity by dialing 911 or contacting him at 912-652-6573. Best regards, Rich Lindsey

Annual Easter Egg Hunt

Please join us at 9:00 a.m. on Saturday, March 30th at the Southside Clubhouse for the Annual Association Easter Egg Hunt. Children 11 years old and younger are invited to participate. The Easter Bunny will be here, so don't forget your camera and basket for gathering eggs.

Annual Elections

The annual election for Board of Directors is just around the corner. Anyone interested in running for one of the five open seats can come by the office and pick up a Candidacy Petition. A copy of the petition may also be printed from our web site: www.georgetowncsa.com. Completed petitions must be returned by April 26th. Ballots will be mailed on May 7th and are due back by June 10th. Ballots will be counted and the results announced at the Association's Annual Meeting scheduled for Tuesday, June 11th at 7:00 p.m.

Lagoon Dredging Project

The digging, construction, and re-landscaping portions of the lagoon dredging project adjacent to Avocet Way, West White Hawthorne Drive, and Red Fox Drive have been completed. Work was finished just in time to handle the significant rain we recently received. Once the contractor completes the post-construction survey of the lagoon, the project will be fully complete and within budget. We thank the residents living in the area for accommodating the noise and mild traffic congestion during the project.

Storm Drains

Please do not sweep, blow or dump leaves or debris into the street storm drains. Keeping storm drains clear is important to help protect the properties in our neighborhoods from potential flooding. It also helps protect wildlife and the environment downstream. Please note, and alert your yard care contractor, that "any and all persons who (shall) injure, obstruct or otherwise interfere with (said) drainage canals or public drains" shall be in violation of County Ordinance 15-406 and risks being charged and taken before the State Court in Chatham County. Also note that allowing any hazardous fluid or materials, such as motor oil or radiator fluid (et al) to enter the storm drain violates State and Federal regulations which can result in prosecution, stiff fines, and/or prison time.

Playground Improvements

Some of you may have noticed that we have sprucing up the playgrounds at our Southside Clubhouse and at Sugar Mill. The equipment has been re-painted and new swings have been installed. In April, we will be adding new sand to both sites, and some safety berms around the ends of the slides at the Sugar Mill Playground.

Soliciting in GCSA Neighborhoods

From time to time, most of us experience the annoyance of soliciting in our neighborhoods. This soliciting can come in the form of unexpected knocks on the door, to advertisements being thrown in your yards or put in (or on) our mailboxes. Solicitation is banned in our townhome and duplex communities, and it is discouraged in our single-family home neighborhoods. Any solicitor must have a business license or permit issued by Chatham County or the City of Savannah. Religious entities simply handing out literature are not required to have permits. Here are some things you can do to deter or respond to solicitors: (1) Residents who hear unexpected knocks on the door should verify who is there before opening the door. If the caller is unwanted, the resident should yell through the door for the caller to leave. If the resident chooses to open the door and confront the caller, the resident should demand to see the caller's license or permit. If he/she is soliciting something and cannot produce a license or permit, the resident should call the Police and report the solicitor. If at any time the resident senses danger or suspicious activity, he/she should likewise call the Police (911). (2) Residents should contact the Postal Inspector when solicitors, or either handbill or ad solicitors put advertising in or on their mailbox. (3) Residents who receive unwanted PennySavers and other advertisements thrown onto their property should contact those entities directly and request they be deleted from distribution. (4) Residents should post "No Solicitation" decals on their doors. If any person comes onto your property without permission and fails to leave upon your request, you can call the Police and report a trespassing violation.

Limitations on Cash Payments

Beginning on April 1st, the Association will not make change when cash payments are provided from members. Members desiring to pay with cash will need to provide exact change or be willing to allow any excess to be applied to their account. This policy was adopted by the Board at the February meeting as Administrative Resolution 2013-1. This resolution has been posted to our web site: www.georgetowncsa.com.

Pet Waste Pick-up

As a reminder, Chatham County Ordinances require dog owners to have a leash on their pet when located outside the confines of their house or fenced yard. The ordinances also require owners to both carry and utilize equipment (such as plastic bags) to pick up after their pets do their "business."

Yard Waste Pick-up

Please help keep the neighborhoods looking nice (and enhance property values) by keeping the leaves and pine straw picked up. Chatham County Public Works Department picks up yard waste curb-side every Monday. Clippings, leaves, and/or straw must be put in reusable containers or in paper bags (available at hardware stores). Cut up limbs and brush may be placed neatly at the curb for pick-up. The use of plastic bags is not authorized. Yard waste may not be placed curb-side earlier than 6 p.m. on Sunday evenings.

Collections Procedures

As a reminder, the Association implemented revised collections procedures in 2012. Please note that payments are due on the first of each month and become past due after 30 days and finance charges begin to accrue. When an account becomes over 60 days past due, the remainder of that year's assessments are added to the account and are due in full at that point. Once the remainder of the year's assessments has been posted, it will not be removed in trade for partial payments. Accounts over 60 days in arrears will also receive a Lien Warning Notice and if the account is not paid in full within 10 days, a lien will be filed against the property. Subsequent collection actions include filing law suits and garnishment actions as needed. The cost of collection actions, including but not limited to reasonable attorney's fees, court fees, and admin fees will be posted to past due accounts at the appropriate point in the process.

Banquet Rooms Available for Rent

As a reminder, the Association has two nice banquet rooms available for weekend rental. Rentals are available from 5:00 p.m. – 12:00 am on Fridays, and from 8:00 a.m.-12:00 a.m. on Saturdays and 8:00 am to 10:00 pm Sundays. Pricing information and a copy of the contract can be obtained at the office or at our web site: www.georgetowncsa.com.
