President's Corner

On May 31st, the Association's auditors completed their thorough annual review of our financials and business operations and, once again, I am happy to report that they have given the organization a clean bill of financial and operational health. The audit report identified no major findings, and the auditors applauded the staff on its professionalism, records keeping, and sound business processes. The auditors will have a presentation for the membership at the upcoming Annual Meeting July 11th. I encourage everyone to attend. Best regards, Mike Richardson.

A copy of the rules can be viewed at our web site: www.georgetowncsa.com under the Services tab.

A Tropical Preparedness Tip from the Hurricane Center

Develop a family disaster preparedness plan now. Determine evacuation routes from your home and places to meet. Determine the location of official shelters. Have an out of state contact, so all your family members have a single point of contact. Make a plan for what to do with your pets if you need to evacuate. Check your insurance coverage, flood damage is not usually covered by homeowners insurance.

ARB Position Available

Additional members are needed for the Architectural Review Board (ARB). Positions are unpaid and require one hour, twice per month. Meetings of the ARB take place on the first and third Tuesdays of each month at the Southside Clubhouse at 7:30 p.m. Anyone interested in being considered to fill this vacancy should submit a short resume/biography to the office. To be considered for appointment, candidates must also attend 3 consecutive ARB meetings. The Board of Directors have the authority to appoint ARB members, and usually do so upon full consideration of qualified candidates.

Parcel Representatives

The Board of Directors is looking for owners or residents in each of our townhome/duplex communities to represent their community during Board meetings. These representatives help keep the Board apprised of issues and concerns within their community and assist with developing budgets. Anyone interested in serving as a parcel representative should contact the General Manager at 912-925-2861.

Approvals for Exterior Changes

One of the benefits of living in a covenant community is the establishment and enforcement of building and landscaping standards. These standards are set forth in one or more of the Association's governing documents such as the Covenants or the Architectural Review Board (ARB) Guidelines. The idea behind the standards is to enhance property values by maintaining some sense of visual harmony in the neighborhoods. To enforce the standards, the governing documents require our homeowners to receive prior approval from the ARB before making changes to the exterior of the property. Some examples of changes requiring an ARB application include: (1) color changes in roofs, siding, shutters, trim, doors; (2) any new construction, to include buildings, driveways, walkways, fencing, etc; and (3) any major changes in landscaping. Application forms are available at the web site (www.georgetowncsa.com) or on the vestibule table in the office. The ARB meets on the first and third Tuesdays of each month at 7:30 p.m. To get on the agenda, applications need to be submitted the office no later than the Thursday prior to the desired meeting.

Collection Procedures

Please remember that payments are due on the first of each month and become past due after 30 days and finance charges begin to accrue. When an account becomes over 60 days past due, or 30 days past due for the second time in a calendar year, the remainder of that year's assessments are added to the account and are due in full at that point. Once the remainder of the year's assessments has been posted, it will not be removed in trade for partial payments. Accounts over 60 days in arrears (or 30 days for a second time that year) will also receive a Lien Warning Notice which says that if the account is not paid in full within 10 days, a lien will be filed against the property. Subsequent collection actions include filing law suits and garnishment actions as needed. The cost of collection actions, including but not limited to reasonable attorney's fees, court fees, and admin fees will be posted to past due accounts at the appropriate point in the process.

Pet Waste Pick-up

As a reminder, Chatham County Ordinances require dog owners to have a leash on their pet when located outside the confines of their house or fenced yard. The ordinances also require owners to both carry and utilize equipment (such as plastic bags) to pick up after their pets do their "business." Reminder signs are being posted on our campuses and in the parcel (townhome/duplex) communities.

Yard Waste Pick-up

Please help keep the neighborhoods looking nice (and enhance property values) by keeping the leaves and pine straw picked up. Chatham County Public Works Department picks up yard waste curbside every Monday. Clippings, leaves, and/or straw must be put in reusable containers or in paper bags (available at hardware stores). Cut up limbs and brush may be placed neatly at the curb for pick-up. The use of plastic bags is not authorized. Yard waste may not be placed curbside earlier than 6 p.m. on Sunday evenings and must be within 3 feet of curb.

Statements & Newsletters by E-mail

At the October Director's Meeting, the Board voted to begin offering members the opportunity to receive statements via e-mail instead of by regular mail. Those choosing to receive statement via e-mail would be provided both statements and newsletters on a monthly, vice quarterly, basis. Those who do not wish to receive these documents via e-mail will continue to be provided them by regular mail on a quarterly basis.
